127<sup>th</sup> Annual Meeting

Walnut Hill

October 2, 2001

1875 ~ 2001

The  
Legacy Continues...

## President's Message

Welcome to our 127<sup>th</sup> Annual Meeting. Our organization is in great shape. Many physical improvements were made to the property this past year: a complete new road, updated lighting throughout the Clubhouse, and new siding on the upper level, to name just a few. Our budget, and which was put in place last October, guided the board in many decisions throughout the year. Many devoted members put in endless time to see that the programs, at MRA, continue to be vibrant and professional. So thank you for coming to our meeting ~ and see you on the range!

Charles Trickett, Jr.

The Adventure of Walnut Hill started the first day I joined the MRA in the early days of the 70's. I have met some great and exciting members of Walnut Hill; the movers and shakers, and the trend setters of the shooting sport. I have been a Director, 1st Vice President, 2nd Vice President, and President over the years. It has been exciting! I have been writing the Legacy books, and have thoroughly enjoyed doing it. I have learned a lot in my research of MRA. It is staggering what has happened at Walnut Hill in the past century. What an adventure! It's like going into the burial chambers of the Great Pyramids of Egypt in my quest for the knowledge of Walnut Hill. If there is anything you do in your life, read the Walnut Hill Legacy volumes. It will be one of the greatest stories ever told, for we all leave a legacy at Walnut Hill. We are all part of the story of the Hill for future generations to come.
